BLACK LEOPARD SAFARI

“There is no **WiFi** in the forest, but I promise you will find a better **connection**”

I am not a Photographer! Can I still join the tour?

One of the most common questions I hear is, "I am not a photographer... Can I still join your tours?" And let me tell you, the answer to this is a resounding YES!

You really don't need to be a pro with an expensive camera or have an advanced understanding of photography to come along on any of my adventures.

If the thought of witnessing wildlife in its natural habitat or gazing up at the stars ignites that spark of joy in you, then you're more than welcome to join ANY of my tours! Photography tours are less about snapping award-winning shots and more about sharing those awe-inspiring moments together as a group that truly values nature over luxury. We want enthusiastic companions who'd rather wake up at 2 AM for a chance to catch sight of the Milky Way than complain about their hard bed.

Sure, we do our best to provide clean toilets, comfy beds, and delicious food; but let's be real—sometimes we might need to sacrifice comfort just a tad while we venture into remote areas in search of rare and lesser-explored species. So grab your sense of adventure and come ready for unforgettable experiences—your love for wildlife and starry nights is all that matters here!
